

# NOURISH YOUR UNDER EYES WITH HERBAL EXTRACTS

This exceptionally light gelee provides nourishing ingredients to the under-eye area. Infused with collagen, glycerin, hyaluronic acid, herbal extracts, and mucopolysaccharides it helps to reduce the appearance of puffiness, eye area lines, and it hydrates too. A rich bouquet of botanical extracts also help to alleviate visibly common eye area concerns.

ENHANCE

**HYDROLYZED COLLAGEN** - increases skin's moisture levels and smoothness while "plumping" skin's appearance for a more youthful complexion.

**HYALURONIC ACID** - used topically, it can help boost skin's moisture content, reduce inflammation, and help prevent moisture depletion.

**GLYCERIN** - a potent natural humectant that draws water into the outer layers of skin for healthy moisturizing.

**ALOE BARBADENSIS (ALOE VERA) LEAF JUICE** - a natural plant extract with soothing properties, antioxidant qualities, and hydrating agent.

**CUCUMBER EXTRACT** - this natural plant has skin conditioning properties. It offers additional hydrating and soothing benefits.
