

DAILY PREVENTION IS BETTER THAN LATER INTERVENTION

Sunscreen should be a part of your daily skin care routine. Reviva Labs' non-greasy daytime moisturizer offers everyday UVA and UVB protection as it moisturizes. Quick to absorb, it can be used under other products or makeup. Daily use can help keep skin younger looking and protected. After all, it's far easier to prevent sun damage than it is to correct it later.

PREVENT

OCTINOXATE - a time-tested, worldwide available (and well regulated) chemical sunscreen agent that's considered "safe as used" - it offers good protections against UVB rays.

AVOBENZONE - the global gold standard of UVA protection and most used UVA sunscreen in the world - it provides very good protection across the UVA range.

CARTHAMUS TINCTORIUS (SAFFLOWER)OLEOSOMES - tiny, micro-sized spheres that encapsulate plant oils and other ingredients. They help to time release ingredients and offer long-lasting moisture.

ALOE BARBADENSIS (ALOE VERA) LEAF JUICE - a natural plant extract with soothing properties, antioxidant qualities, and hydrating agent.

EVERYDAY PROTECTION

ACTIVE Ingredients: Octinoxate 4%, Avobenzone 2.5% - Other Ingredients: Water, Carthamus Tinctorius (Safflower) Oleosomes, C12-15 Alkyl Benzoate, C13-14 Isoparaffin, Laureth 7, Polyacrylamide, Benzyl Alcohol, Fragrance, Sodium Hydroxide, Methylisothiazolinone, Tocopheryl Acetate, Aloe Barbadensis Leaf Extract, Citric Acid.
