

INTRODUCING OUR GENTLY EXFOLIATING FRUIT ENZYME MASK!

- ▶ Pumpkin, pineapple, and papaya enzymes help dissolve dead skin cells.
- ▶ Helps even skin's appearance and improves overall complexion.

Exfoliate, purify, and make skin more lustrous.

Our multi-fruit enzyme mask offers gentle exfoliation while it draws out impurities and helps to balance and improve overall skin tone. Slough away dull skin, restore your complexion's luster, and leave your skin looking more beautiful.

Get to know the new Reviva Labs – contact your sales rep, visit our website www.revivalabs.com, or reach out to us on social media. From anti-aging and hydrating to brightening and firming – and everything in between – Reviva has it covered.

Directions: Apply evenly and liberally over face and/or neck. Allow to dry completely (typically 10-15 minutes) until mask is dry to the touch (the mask may fade to clear as it dries). When fully dry, remove using a warm, damp cloth or rinse off with warm water.

SKU: 611
